

2007 INDIVIDUAL INCOME TAX PAYMENT VOUCHER

See Instructions Below

Print the completed form and submit with your payment.

Rather than mailing a check, you can now pay using an electronic check or credit card at www.colorado.gov/taxpay

This online service includes an administrative fee that allows Colorado.gov to deliver this and other important services. This fee is paid to a third party that provides these services for Colorado.gov at little or no cost to the taxpayers of Colorado.

For credit card transactions, the administrative processing fee is approximately the amount due multiplied by 2.25% plus \$.75. However, if you choose to pay with cash in the form of an echeck, the administrative processing fee is discounted to \$1.00 per transaction.

Use Form DR 0900 below to submit your payment if you:

- file using NetFile,
- file using TeleFile,
- file using any other electronic method,
- file a return containing a barcode,
- or are, for some other reason, sending your payment separate from your return.

DO NOT send another copy of your tax return with your payment because the DR 0900 contains all the information required to match your payment with your return.
